As of April 26, the Bishop's Annual Appeal has raised cash and pledges of \$834,080 toward this year's goal of \$1,300,000 (64%). Thank you to everyone who is working to make the 2019 Appeal a success.

In early May, Bishop Kettler will send a second letter for the Appeal to donors who have contributed in the past but have not yet made a gift this year. There also will be additional promotional efforts over the next few months, including bulletin announcements, social media posts and an Appeal update in the June edition of The Central Minnesota Catholic magazine.

To update parishes with the latest information and assist them in promoting the Appeal, Bishop Kettler sent a letter to pastors with the number of current donors, participation percentage, gift total, goal and goal percentage for each of their parishes. Pastors also will receive an email with links to Appeal resources and highlights.

Please also consider asking a lay person from your parish who is an annual donor to the Bishop's Annual Appeal to give a brief testimony before or at the end of Mass about why he or she supports the Appeal. If you would like a staff member from one of our diocesan offices to offer a few words about the

ministry provided by their office and the importance of the Appeal, please contact Joe Towalski (jtowalski@gw.stcdio.org or 320-258-7624) to make arrangements.

Thank you again for supporting the important ministries of the Appeal. If you have any questions, please contact Joe Towalski or Anna Kampa (akampa@gw.stcdio.org or 320-258-7654).

A reminder that the U.S. Conference of Catholic Bishops has published a pastoral letter, entitled "*Open Wide Our Hearts: the Enduring Call*

Tribunal Office

Fr. Virgil Helmin ♦ (320) 251-6557

All divorced persons who want to now marry in the Catholic Church need an annulment. There are three different annulment processes to determine the validity/invalidity of marriage.

1. **Lack of Canonical Form** – this annulment process is used when a baptized Catholic marries without a dispensation from form in a setting other than a priest and two witnesses.
2. **Previous Bond** – this annulment procedure is used when a person enters a marriage with another who has been previously, presumably validly married and is not divorced.
3. **Formal Process** – this annulment procedure is used when a Catholic is married in a Catholic ceremony or a Protestant is married in a ceremony that is accepted by the state. [With the timely cooperation of the petitioner, this process is normally complete within twelve months.] **DO NOT SET A WEDDING DATE UNTIL THE ANNULMENT PROCESS IS COMPLETE.** It can take up to 9 months to be completed.

Information concerning annulments and printing of these forms are available on the diocesan website: The forms necessary to apply for an annulment are on this website. <http://tribunal.stcdio.org/>. *Please print your forms from the above*

website.

If you are uncertain about which annulment process should be petitioned for, you can call our office at (320) 251-6557 from 8:30 a.m.-12:00 p.m. and 1:00 p.m.-4:30 p.m., Monday through Friday.

As of July 1, 2016, the Tribunal of the Diocese of St. Cloud no longer charges a set fee for annulments. If anyone wishes to make a donation to help defray the cost(s) of the work of the Tribunal, it would be greatly appreciated. Please make checks payable to: Tribunal of the Diocese of St. Cloud or you may go to:

www.stcdio.org/pay to make an online donation, under "Tribunal – Annulments". Thank you for your kind donation.

Regional Ministry Gatherings

Come and gather with your Catholic colleagues from parishes all around the Diocese of Saint Cloud!

In an effort to provide ongoing and lifelong formation for our parish leaders, diocesan staff have reviewed the data from the survey many of you completed this summer. We are prepared to come to 4 regions, North, East, South and West, to do workshops based on the priorities that emerged from the information you gave in the survey. We will come to each region 3 times to present on the topics that were a priority in your region, as well as other topics. Attached, at the bottom of the Regional Ministry Gathering section, you will find promotional flyers including the topics, location and dates for all upcoming Regional Ministry Gatherings. Exploring the Essential Elements of a Vibrant Parish

with Brenda Kresky, *Director of Planning*

A parish is a community of baptized disciples committed to following Jesus Christ. What does such a community look and act like? The life, mission and growth of faith in a parish is illustrated through the visible actions of seven essential elements. We will learn how each of these elements constantly interrelate with, nurture and support the others for the pastoral mission of the parish.

We are Called to Journey Together...

with Katy Lentz, *Coordinator of Mission Education*

Through our baptism we are called to be disciples in the world. During this session we will explore what this means and how we can live it by discussing: 1) How we serve others both in physical needs, but also relationally; 2) what it means to be in solidarity with others and what that looks like in real life; and 3) options for mission trips and projects you can do in your parish / school.

Vocations to the Priesthood: *Looking Back and Looking Ahead*

with Fr. Doug Liebsch, *Associate Director of Vocations*

We celebrate the Feast of the Apostles, Philip and James, on May 3. We will look back to how Jesus called them to himself and formed them along with the rest of the Apostles. While this same call and presence of Christ remain present in each priest, this looks different over the years. We will look to the particular challenges of the future and how we can respond by asking the Lord to send out laborers for the harvest.

Future of the Hispanic/Latino Ministries: *V Encuentro Reflections and Actions to Take in our Diocese*

with **Mayuli Bales**, *Director of Multicultural Ministries*

This workshop will explore the conclusions of the National V Encuentro and how together we can work for the Kingdom of God. We began this journey at the national level together with thousands of parishes, small communities of faith, and ecclesial movements, under the theme "Disciples Missionaries: Witnesses of God's Love." We decided to be a church that leaves our comfort areas and goes out to meet our brothers and sisters who are on the peripheries of our communities of faith, following the invitation of Pope Francis.

Living Out our Catholic Identity: *How our Faith Supports us through the Challenges and Celebrations of Life*

with **Patrick Flynn**, *Director of the Office of Marriage and Family*

The Marriage & Family Office has a variety of resources to support parishes. Join us as we share how our literature and planned events can help to foster a culture of life in your community. Participants will engage in interactive dialogue by sharing best practices. Let's share those stories!

Estate Planning and Taxes

with **David Eickhoff**, *Executive Director of the Catholic Foundation*

RMD, DAF, IRA... LOL. Every industry has its own acronyms and abbreviations; taxes, charitable giving, and estate planning are no different. We will discuss which abbreviations you should know to reduce taxes and accomplish your philanthropic goals. Sometimes it's easier than you think...

A New Era in Catholic Youth Ministry

with Kent Schmitz, *Consultant for Adolescent Catechesis and Youth Ministry*

The data is clear, the model of the youth group is no longer effective. For every new Catholic entering the Church we have six that leave. The average age of disassociation with the Catholic Church is 13. In this session we will look into the parish organizational and support systems necessary to design and implement a multi-faceted ministry that specifically addresses the diverse formation needs of families on a variety of spiritual development levels. Forming missionary disciples is more than icebreakers and pizza. It requires focused efforts of formation and hands-on training to apprentice young people into the life and mission of Christ and His Church.

The Who, What and Why of Annulments

with Fr. Virgil Helmin, *Judicial Vicar* and Theresa Wyburn, *JCL Associate Judge of the Tribunal Office*

This session will explore the three types of annulments: 1) lack of form, 2) prior bond, and 3) full annulment (Declaration of Nullity). The Church sees a marriage as valid until proven otherwise, based on a number of grounds investigated by the Tribunal.
