Prayer for an End to Infanticide from Archbishop Joseph F. Naumann, Chairman, USCCB Committee on Pro-Life Activities. Suggested bulletin insert. You can copy and paste the following:

The U.S. Senate recently failed to pass the Born-Alive Abortion Survivors Protection Act – legislation that prohibits infanticide by ensuring that a child born alive following an attempted abortion would receive the same degree of care to preserve her or his life and health as would be given to any other child born alive at the same gestational age. Please join in prayer for an end to infanticide:

“Jesus, Lord of Life, transform the hearts of all elected leaders to recognize that infanticide is wrong and must not be tolerated. Open hearts and minds to recognize and defend the precious gift of every human life.”

Safe Environment

Safe Environment deadline is June 30 for this school year: Pastors and principals should check with their Safe Environment contact people to make sure that parish/school staff and everyone ministering with minors and vulnerable adults have been trained and had their backgrounds checked. Everybody on the parish/school list should have a certification status completed, or be archived if they haven't been active this year. An audit team from the USCCB will be visiting our diocese and some parishes/schools in September.

The background checks of many priests are expiring mid June: If that is your case, please do the FULL Training, which includes the background check. Talk to your parish Safe Environment contact person to see if you already have an account (all pastors do) and what the username/password is.

If you have any questions, ask your Safe Environment contact person, or call Linda Kaiser at 320-251-0111.

New Monthly Update – We are initiating a monthly update for our Area Catholic Community Planning Councils. This update, for members of the planning councils, will come out around the middle of the month and include resources, answers to questions, and reminders as we move through the planning timeline. It will also be archived on the Planning website.

July Mass counts – It is that time of year to begin thinking about Mass counts. Some have challenged the seating capacity of the church. Seating capacity is based on an average of 20 inches per person. Research is showing that 24 inches is probably more realistic due to personal space. We are open to changing the seating capacity of the church. Contact the Planning Office if you think you need to change this number. Mass count forms will be sent out the first week in June.

Tribunal Office

Fr. Virgil Helmin ♦ (320) 251-6557

All divorced persons who want to now marry in the Catholic Church need an annulment. There are three different annulment processes to determine the validity/invalidity of marriage.

1. **Lack of Canonical Form** – this annulment process is used when a baptized Catholic marries without a dispensation from form in a setting other than a priest and two witnesses.
2. **Previous Bond** – this annulment procedure is used when a person enters a marriage with another who has been previously, presumably validly married and is not divorced.
3. **Formal Process** – this annulment procedure is used when a Catholic is married in a Catholic ceremony or a Protestant is married in a ceremony that is accepted by the state. [With the timely cooperation of the petitioner, this process is normally complete within twelve months.] **DO NOT SET A WEDDING DATE UNTIL THE ANNULMENT PROCESS IS COMPLETE.** It can take up to 9 months to be completed.

Information concerning annulments and printing of these forms are available on the diocesan website: The forms necessary to apply for an annulment are on this website. <http://tribunal.stcdio.org/>. *Please print your forms from the above website.*

If you are uncertain about which annulment process should be petitioned for, you can call our office at (320) 251-6557 from 8:30 a.m.-12:00 p.m. and 1:00 p.m.-4:30 p.m., Monday through Friday.

As of July 1, 2016, the Tribunal of the Diocese of St. Cloud no longer charges a set fee for annulments. If anyone wishes to make a donation to help defray the cost(s) of the work of the Tribunal, it would be greatly appreciated. Please make checks payable to: Tribunal of the Diocese of St. Cloud or you may go to: www.stcdio.org/pay to make an online donation, under "Tribunal – Annulments". Thank you for your kind donation.

Health Care Ministry

Annette Jesh ♦ (320) 249-0280

To recruit a Faith Community Nurse, personal contact with a currently licensed Registered Nurse is key to assessing the possibility of having a Faith Community Nurse join your ministry team. In my role, I can help with decision-making resources. You can also use the CentraCare Find A FCN Online as a resource.

BEFORE STARTING AS A PARISH/FAITH COMMUNITY NURSE, each PN/FCN in the Diocese must have the Safe Environment Training and background check for working with vulnerable adults. <http://stcdio.org/about/safe-environment/safeenvironmenttraining/>. Check with your Parish Safe Environment contact if you have any questions or call 320-251-0111.

Minnesota registered nurse licensure verification is needed before beginning the ministry and recertification check is needed of license every two years by church staff supervisor. <https://mn.gov/boars/nursing/licensure/licensure/licensure-verification.jsp>.

Employers must verify a nurse's license at the time of employment, make a record of the license expiration date, and verify the nurse has renewed the license by the date of the expiration in the employer's record. Licensure verification is available on this website by clicking on the [Verify an RN or LPN License](#) button on the home page of the website. A Faith Community Nurse cannot work as a FCN or parish nurse unless they have an active MN RN License.

A RN may not work as a Faith Community Nurse after the registered nurse license expiration date. They may work as a volunteer.

Exploring the Essential Elements of a Vibrant Parish

A parish is a community of baptized disciples committed to following Jesus Christ. What does such a community look and act like? The life, mission and growth of faith in a parish is illustrated through the visible actions of seven essential elements. We will learn how each of these elements constantly interrelate with, nurture and support the others for the pastoral mission of the parish.

In this session, we will explore the most beautiful sound in our Eucharistic gathering – the voice of the assembly. Through sharing, discussion and practice, we will look at ways we, as music ministers, can support the ownership of the liturgy by the liturgical assembly. How do our song choices, gestures and texts create a worshipping environment that brings about “full, conscious and active participation”?

Becoming Who We're Called to Be, At Work: How the Workplace Forms Disciples

We are Called to Journey Together...

Through our baptism we are called to be disciples in the world. During this session we will explore what this means and how we can live it by discussing: 1) How we serve others both in physical needs, but also relationally; 2) what it means to be in solidarity with others and what that looks like in real life; and 3) options for mission trips and projects you can do in your parish / school.

Using Technology to Tell the Stories of Jesus Christ, our Parishes, and the Christ in Us

Dr. David Walsh says, "Whoever tells the stories defines the culture." Communications 101 says "If we don't tell our story, someone else will." How are we telling the Stories of Jesus Christ, our parish, and God's activity in our lives? This session will look at some of the why's and how's of using technology in faith formation and parish communications. We will also dream about ways of engaging our youth and young adults in this important ministry. We need to tell our story, and tell it well.

Baptized in Christ's Body, Called in Christ's Service

Have you ever wondered what our Church tells us about baptism beyond the oil and water? Have you ever wondered what baptism tells us about our Church? In our time together, we will explore the social aspects of baptism and how our being a part of Christ's Body pushes us towards service and justice. As a group, we will share different aspects, practical tools and best practices for doing social ministry within our communities, as invited to by our baptism.

Unlocking the Restless Heart: Finding Our Own Story in the Life of Saint Augustine

This talk will inspire you to understand the powerful story of your own life and give simple instructions for creating a personal testimony. Drawing upon St. Augustine's early life, conversion and testimony (on his feast day no less), we will mark key stages in the life of discipleship. From that framework and using principles of spiritual discernment, we will rediscover the power of our own story – one that God adds to with each new season of life.

Hospitality: Would YOU Come Back?

In this session, we will explore the idea of hospitality in our parishes by asking three questions: What does the Bible say? What is radical hospitality? What can we do? Based on Robert Schnase's book, [Five Practices: Radical Hospitality](#), we will be guided on a journey to discover ways we can evaluate our own parishes, share ideas with one another and set into motion a plan to take back to our faith communities.
