CALENDAR AT A GLANCE

Please feel free to put the Sunday TV Mass
in your parish bulletins at www.stcdio.org/tvmass.

September 7 ♦ Feast/Solemnity of Saint Cloud – All parishes should celebrate the Feast/Solemnity of Saint Cloud during their daily morning Mass. How do you know which it is for your parish? September 7 is a solemnity in the parishes and institutions within the city of St. Cloud since he is the patron of the city. September 7 remains a feast for all other parishes and institutions within the diocese since he is the patron of the diocese. For additional resources, click [here](#).

September 20 ♦ Catechetical Sunday – This year's Catechetical Sunday theme is, "*I received from the Lord what I also handed on to you.*" As we journey through this pandemic together it is important to honor and thank the catechetical leaders who are helping us navigate this new territory. Free resources are available for print from Catholic Current using this link <https://catholiccurrent.org/catechetical-sunday-2020/>.

September 23-November 1 ♦ 40 Days For Life Fall Campaign – View the St. Cloud 40 Days for Life website for details - <https://40daysforlife.com/local-campaigns/st-cloud/>

NOTES FROM THE CHANCERY

Office of the Chancellor ♦ Jane Marrin ♦ (320) 251-2340

Official Catholic Directory (Kenedy Directory or OCD) – The Official Catholic Directory (OCD) will continue doing all changes to parishes, institutions and organizations, within each diocese, electronically. Sometime in the near future you, or a staff person, will receive a notice via e-mail about the data being gathered for the directory. Please read the information carefully and follow the directions carefully as well. I was so proud of you last year as the majority stepped up to complete most of the information requested by the OCD. Let's see if we can make it a 100% participation this year!! There were times that an answer was a "guess" on my part and we really should have accurate information being published. One area often left blank was the **contact person**, so I automatically filled in that spot with the pastor's name. You are no longer submitting this data to the Chancellor but rather sending it directly to the OCD – again electronically. Once the deadline for submission has passed I will receive a notice to go online to approve information before publication. **I am unable to approve your data if any of the areas are left blank.** So **PLEASE** fill out fully to the

best of your knowledge. Thank you, once again, in advance for your due diligence with this challenging undertaking.

NOTES FROM THE DIOCESAN OFFICES

Catholic Education Ministries

David Fremo ♦ (320) 251-0111

Parish-Diocesan Ministries COVID Guidance – The guidance for re-opening all parish and diocesan ministries can be found on the diocesan COVID preparedness page <http://stcdio.org/coronavirus-update/>. This guidance document is meant to be a resource for parishes to create their own preparedness plan. Questions regarding this document can be directed to cem@gw.stcdio.org.

In the Ministry of the Word – In the Ministry of the Word, our catechist formation program, will be on hiatus for the rest of 2020. During this time, we will be working on new methods of presenting the program utilizing technology. If you need resources to help form your catechists, please do not hesitate to reach out to us and we will work with you to find those resources.

Coordinators of Faith Formation and Youth Ministers are welcome to join CEM for Zoom meetings going over models of Faith Formation that are in line with the COVID-19 Guidance for Ministries in the Saint Cloud Diocese. These meetings will offer a time to share how you are adapting your curriculum and program to be safe and pastoral during this pandemic. The meetings will take place on Wednesday, Sept. 9 at 7:00 p.m. and Thursday, Sept. 10 at 10:00 a.m. register at: <https://forms.gle/aVCqCASwy6CvogLQA>

Catholic Schools – The Catholic schools are prepared to safely welcome back students for the 2020-2021 school year. Each school has developed a comprehensive COVID-19 Preparedness Plan, informed by guidance from the Minnesota Department of Health, Minnesota Department of Education, and health and educational resources connected with the Diocese of Saint Cloud. Schools will follow, and adapt to meet present and changing requirements and needs of their communities. They are committed to having safe, faith-filled environments that provide for learning and growth in flexible models and formats. Please continue to support our Catholic schools through your prayers and generosity.

Family Together webpage (<http://familytogether.stcdio.org/>) – Beginning in September, our online weekly for the domestic church, *Family Together*, will be offering a new resource called *Becoming Eucharist*, replacing the weekly family sessions. This monthly resource can be used for family faith discussions and formation at the dinner table. It will include a format for discussion and prayer as well as discussion questions for each Sunday's gospel. A printable version to make a table

tent will also be available.

Saint John's School of Theology and Seminary celebrates **Lay Ecclesial Ministers – In Remembrance of You: Prayer Service of Gratitude** – This event will be held virtually on **September 10** from **7:00 p.m. to 8:30 p.m.** In March, the work of lay ecclesial ministers was disrupted by the pandemic. Without a pause, and with many moments of uncertainty, most lay ecclesial ministers became the digital diaspora for their organization bringing faith formation, streamed liturgies, spiritual direction, retreats, and conversations online. Saint John's School of Theology and Seminary, Collegeville, MN, invites lay ecclesial ministers and their co-workers for prayer and fellowship in this pandemic time. This free evening service will create space to give gratitude for their persistence in ministry and lament the hardship during this pandemic. **For more information and to register:** <https://www.csbsju.edu/sot/lifelong-learning/lay-ecclesial-ministry/2020-collegeville-national-symposium-on-lay-ecclesial-ministry>

Safe Environment

Linda Kaiser ♦ (320) 251-2340

This should be an interesting opening to the Catholic schools and faith formation programs this year. Principals, site administrators and others should have received a copy of the student training for this year. The plan has some options to address the different needs of parishes and schools.

- Please remember that all employees of parishes and schools must have background checks and complete safe environment training.
- All volunteers who work with children, youth and vulnerable adults must complete training and a background check before volunteering.

As we begin this new catechetical year, let us model respect for one another. If everyone would respect the dignity of the human person as our Catholic social teaching tells us, this training wouldn't even be necessary.

Blessings on this new catechetical year.

September 19-20 – Catholic Campaign for Human Development (CCHD) Special Collection – Just a reminder that the special collection for the Catholic Campaign for Human Development will take place the weekend of September 19-20 in all parishes of our diocese. CCHD is

the anti-poverty initiative of the U.S. Conference of Catholic Bishops, and has been supporting organizations working to end cycles of poverty and support leadership development among low-income and marginalized community members of dioceses across the country, including St. Cloud Diocese, for the last 50 years! Envelopes should be included in parish packets already; if you need additional envelopes, or resources, please [contact me](#). You can also find [more information and promotional resources at the USCCB's website](#). Below is a sample announcement to share in parishes prior to and on September 19/20's collection weekend. Thank you in advance for helping us encourage the faithful of St. Cloud to support their nearly 39 million US neighbors, and over 10% of residents of our diocese, who are living in poverty!

Please share the following information in your parishes the week(s) leading up to the CCHD collection on September 19/20:

This year marks the 50th anniversary of the Catholic Campaign for Human Development (CCHD), the anti-poverty initiative of the U.S. Catholic bishops. Over 38 million people in the United States, 12 million of them children, live below the poverty line, and growing numbers of seniors and families are finding themselves very close to the poverty threshold. We will take up a special collection the weekend of September 20 to support the U.S. bishops' important work of fighting against poverty. Twenty-five percent of funds collected are used for local grants to groups working with those in poverty right here in our diocese, and all funds collected support further grant possibilities and efforts for our low-income and marginalized neighbors near and far. Please prayerfully consider how you can support the CCHD collection on the 19/20. *Note: Please also indicate in the announcement for your parish where parishioners can find their special collection envelopes (ie. in envelope packets, with bulletins, in the back of church, in the pews)*

Parish Social Ministry Gathering going Virtual – Mark your calendars and have your computer available for the annual Parish Social Ministry Gathering, that will take place this year *virtually* on **Saturday, October 3!** This year's event will be a virtual gathering, including prayer, keynote presentations by Laura Kelly Fanucci, and various interactive sessions with Social Concerns staff and other local leaders. Participants will have the opportunity to reflect on and learn more about empathy and social discourse, including what our faith says about these days of so much division and divisive rhetoric in our communities and nation, and practical skills for engaging in dialogue with those with whom we may disagree. The event is free and open to all. Registration materials, including schedule and session details, will be available through the [Social Concerns website](#) soon.

There's Still time to share your input – If you haven't already done so, please complete the Rural Life, Parish Social Ministry and Community Needs Survey, and share it with other leaders in your parishes as well. Catholic Charities is looking at some new and exciting ways of serving our rural communities this year and in order to do so, we are asking our parishes to share your thoughts, questions and needs with us: <https://www.surveymonkey.com/r/TYVSL9L>

Catholic Rural Life *Thriving in Rural Ministry Retreat* – Catholic Rural Life staff are now preparing for the Fall Thriving in Rural Ministry retreat that will be held at Green Lake Retreat Center in Green Lake, Wisconsin, October 12-16, 2020. They are putting all of the proper safety protocols in place to make the retreat both memorable and safe. If you are interested in gathering with fellow priests from rural parishes and dioceses such as ours, please consider this helpful gathering! Visit [CRL's Registration page](#) to learn more and sign up.

Commit to Vote – Minnesotans are heading to the polls – and the mailbox – to vote in the November 3 general election. People of faith understand citizenship and the duty of voting as an essential way to act on their values. We are reminded of this duty in the words of the late civil rights legend and Congressman John Lewis, “If not us, then who? If not now, then when?” Commit to voting in-person or absentee (also known as vote-by-mail). Here are several resources to help:

- Find out if you are [eligible to vote](#).
- [Register or update your voter registration](#). (Not sure if you're already registered? [Check your voter registration status](#) online.)
- Request an [absentee](#) ballot to vote by mail. Voting by mail is safe and secure.
- [Find your polling place](#), if planning to vote in person.
- Explore the [Catholic Social Teachings and how they can inform our Catholic vote](#).

ANNULMENT PROCEDURE

The Tribunal of the Diocese of St. Cloud has established a policy that the annulment process will not be started until six months after issuance of the final divorce decree.

No wedding date must be set until an affirmative decision has been rendered.

The annulment process requires the following:

A) The petitioner contacts his/her parish priest or a Tribunal staff member in order to petition and begin the annulment procedure.

1. The petitioner needs to present the following documents at the time of the application:

- a) Baptismal certificate and/or Profession of Faith of self and of former spouse.
- b) Certificate of marriage and/or Validation and/or Dispensation
- c) Divorce decree (Final Judgment).
- d) Current address of former spouse.

2. The petitioner has a recorded preliminary interview (conducted by a parish priest, deacon, parish minister or a Tribunal Staff Member) **-OR-** writes a

narrative that covers in depth the following factual information about the petitioner and his/her former spouse:

- a) Description of childhood and home life of self and former spouse. Alcoholism or chemical addiction in family background?
- b) Description of dating process and maturity of self and former spouse.
- c) Description of how the decision to marry was reached.
- d) Description of ability to communicate and resolve conflicts.
- e) Description of problems that developed in the marriage and when they began.
- f) Description of attempted solutions to the problems.
- g) Description of performance of roles of husband/wife, father/mother.
- h) Description of how the decision to divorce was reached.

B) When there are ground(s) for a declaration of nullity, the Tribunal will contact both, the petitioner and the respondent.

C) Prior to the formal hearing, the petitioner must complete and return the witness list. Witnesses include 2-3 adult people who knew them prior to and during their marriage and can give us information about the marriage. At the time of the formal hearing, the petitioner must bring these witnesses in with them. A witness can be a brother, sister, parent, friend, co-worker, neighbor or a member of the wedding party. Witnesses should not all be relatives. We do not interview children of the marriage. At the formal hearing the petitioner and the witnesses will be questioned privately.

D) If the petition comes to formal hearing the following will occur:

1. All testimony is gathered and sent to the Court Members.
2. The defender of the bond presents its brief to the Judge.
3. Judge(s) renders a decision. Petitioner and respondent are notified.
4. Both the petitioner and the respondent have the right to appeal the decision of the Court of First Instance. Also, both are notified of the decision and given 15 working days to review that decision and/or to appeal the decision.
5. If the decision is not appealed by either person, the defender of the bond signs off on the waiver. Once that is returned to the Tribunal office the process is complete and the petitioner and the respondent are notified along with the parish of baptism and parish of marriage.
6. A vetitum (prohibition) may be attached to the decision, requiring that either or both spouses must attend professional counseling with a counselor approved by the Tribunal before being allowed to marry in the Catholic Church.

The average length for the Tribunal to process a petition is 12 months. If the process is appealed by either parties, the process may take longer than 18 months. ***No wedding date can be set until an affirmative decision has been rendered.*** The Court could require that the person participate in an evaluation or counseling with their intended spouse. This requirement is made so that the future marriage may be happy and fulfilling.

As of July 1, 2016, the Tribunal of the Diocese of St. Cloud no longer charges a set fee for annulments. If you wish to make a donation to help defray the cost(s) of the work of the Tribunal, it would be greatly appreciated. Please make checks payable to: Tribunal of the Diocese of St. Cloud. Or, you may go to: www.stcdio.org/pay to make an online donation, under "Tribunal – Annulments". Thank you for your kind donation.

Please join me in welcoming Bethany Tollefson to her new role as Health Ministries Coordinator.

Bethany Tollefson comes to us with a PhD in nursing and currently works as an assistant professor for the College of St. Scholastica School of Nursing, St. Cloud Campus. Annette has done a marvelous job developing Health Ministries and Faith Community Nursing during that time. A couple of her greatest achievements were obtaining a grant to reestablish a program of training for Faith Community Nursing and developing the "Find a Nurse" program. Under Annette's fine leadership, the program has truly grown in strength and impact throughout Central Minnesota. Thank you Annette for your passion and investment in Parish Health Ministries. The ministry has truly flourished under your leadership!
