ONE BODY IN CHRIST GATHERED TOGETHER

Throughout the COVID-19 pandemic, many of us have grown in appreciation of, and desire for, some of those things we've had to do without: going out to a restaurant, a shared cup of coffee with an elderly parent, gathering for big life celebrations like graduations and weddings.

As Catholics, in the absence of communion with each other and Holy Communion, we've had a chance to reflect upon the joy that comes from fellowship, parish life, and the life that comes from the Eucharist.

As the COVID-19 pandemic subsides, we welcome you back to experience this joy and life. Come reignite the fire of your faith life. We look forward to seeing you!
