

God,
Throughout Scripture,
You are described
as the Good Shepherd,
protector, compassionate healer,
friend, and fountain of life.
In your abounding love,
You call us sons and daughters.

Now, in our need,
we cry to you – Abba, Father – help!

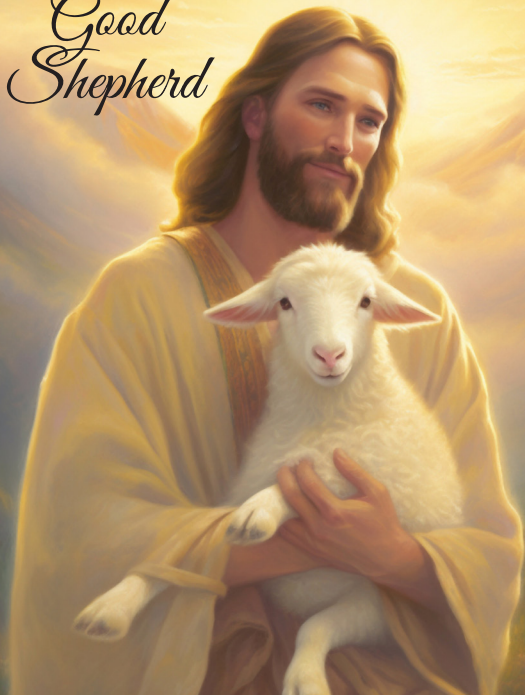

You care about me,
You want to hear from me,
and You see what struggles I have.
I humbly lay them all at Your feet –
I submit them to You.

You know me and love me.
Pour out your Spirit on me
and all my brothers and sisters
who are suffering,
so we may find hope and peace.

In the powerful name of the Father,
Son, and Holy Spirit. Amen.
