

RECOGNIZING ABUSERS, BUILDING SAFE COMMUNITIES

THE PERSON WHO commits **sexual abuse or misconduct** can be anyone - a father or mother; a sister or brother; an aunt or uncle; a teacher; a coach; a priest, minister, rabbi or clergy person; a neighbor; a friend; a stranger. They can usually be identified only by the individual they abuse, and the victim survivor is often the only person who knows.

YOU DO NOT have to face your abuser or give information you are not comfortable disclosing.

IT DOES NOT MATTER how long ago the abuse took place. Assistance is available to you.
